# CHAIR COVER EXAMPLE PATTERN

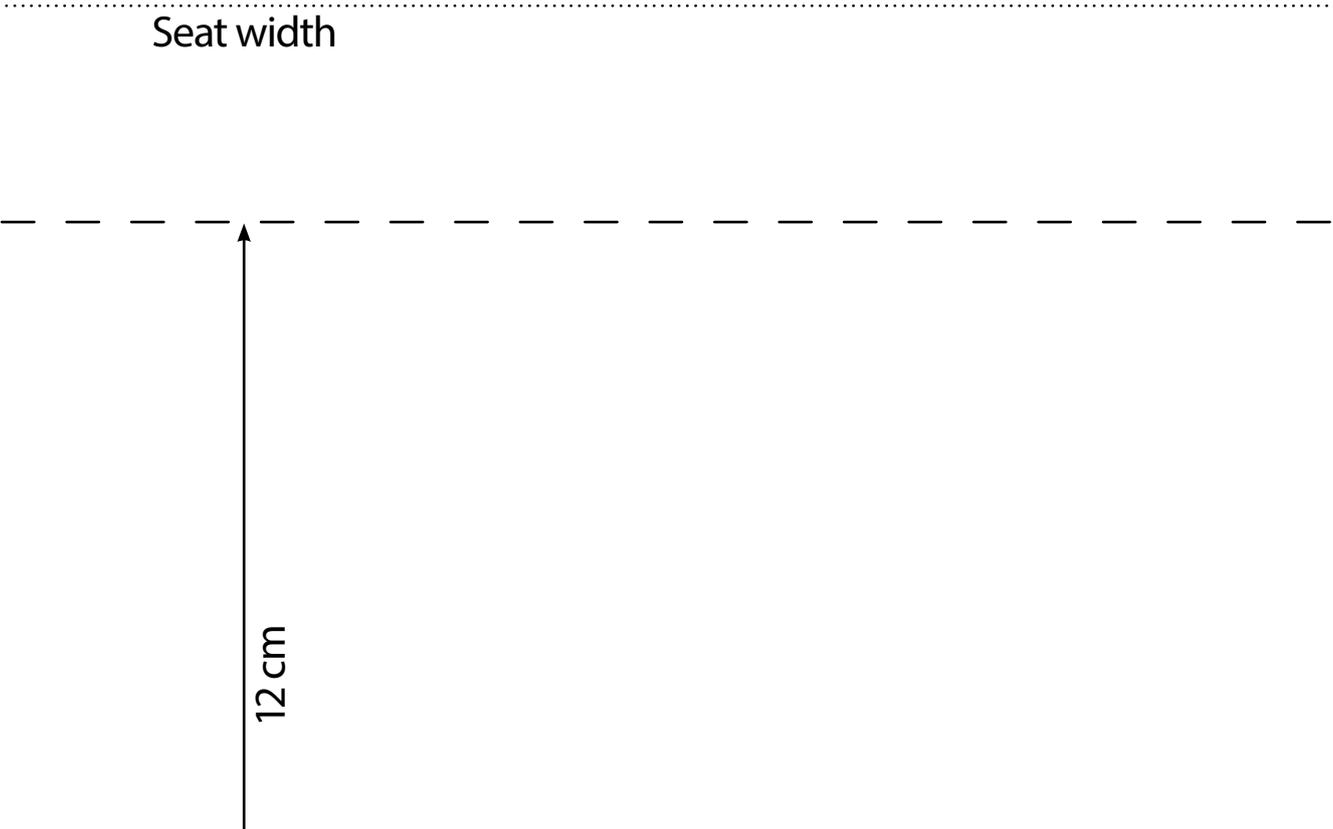

**PAGE 32**

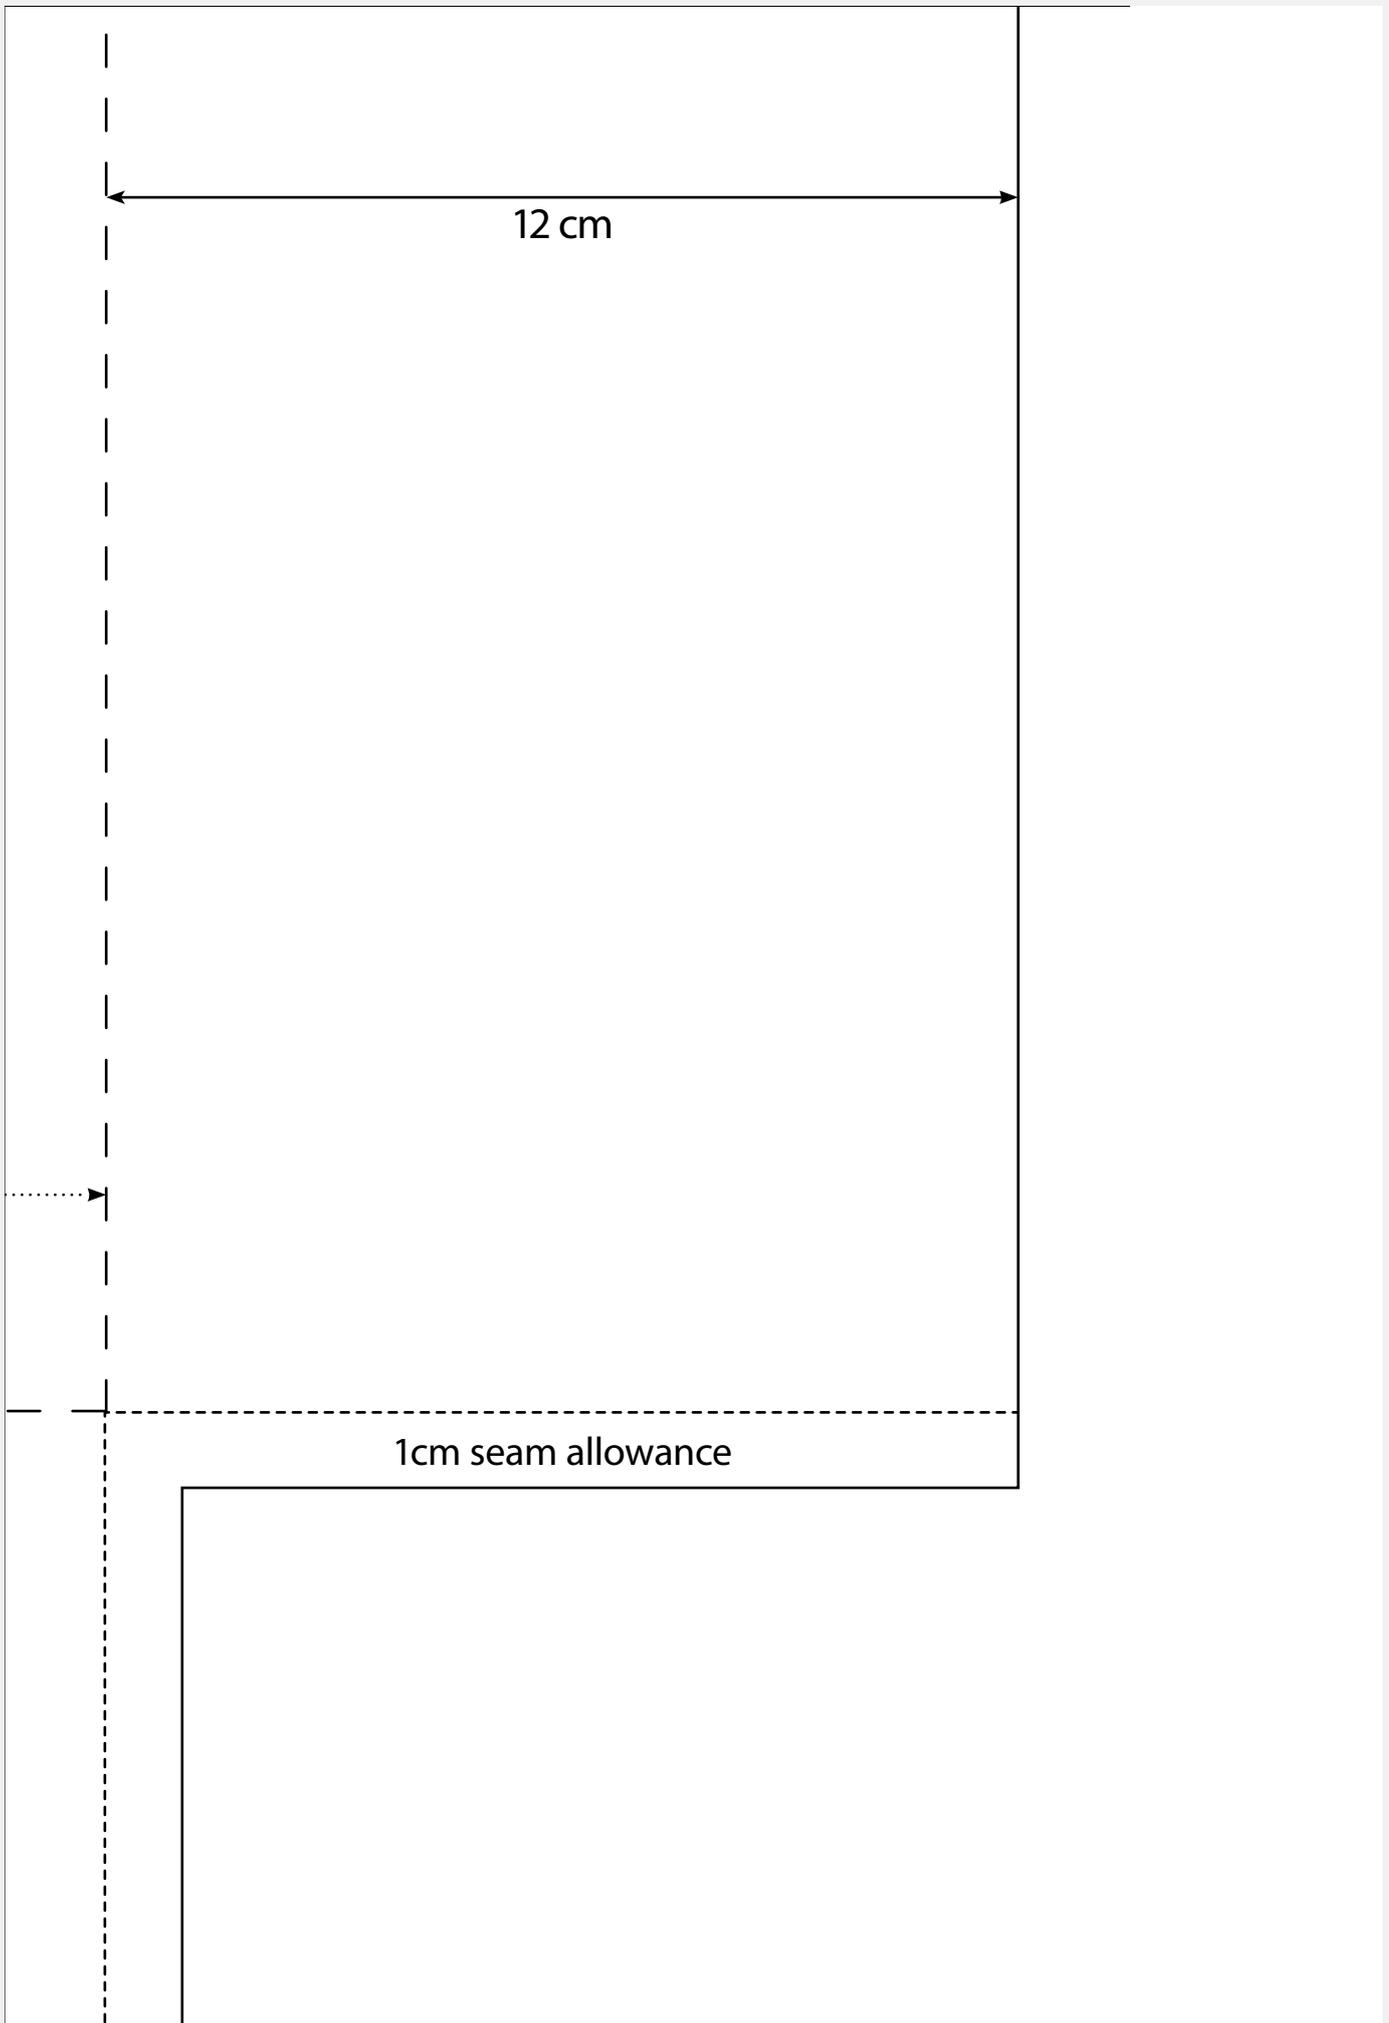

ACTUAL SIZE

JUST SEAT LENGTH AND WIDTH  
TO FIT YOUR OWN CHAIR

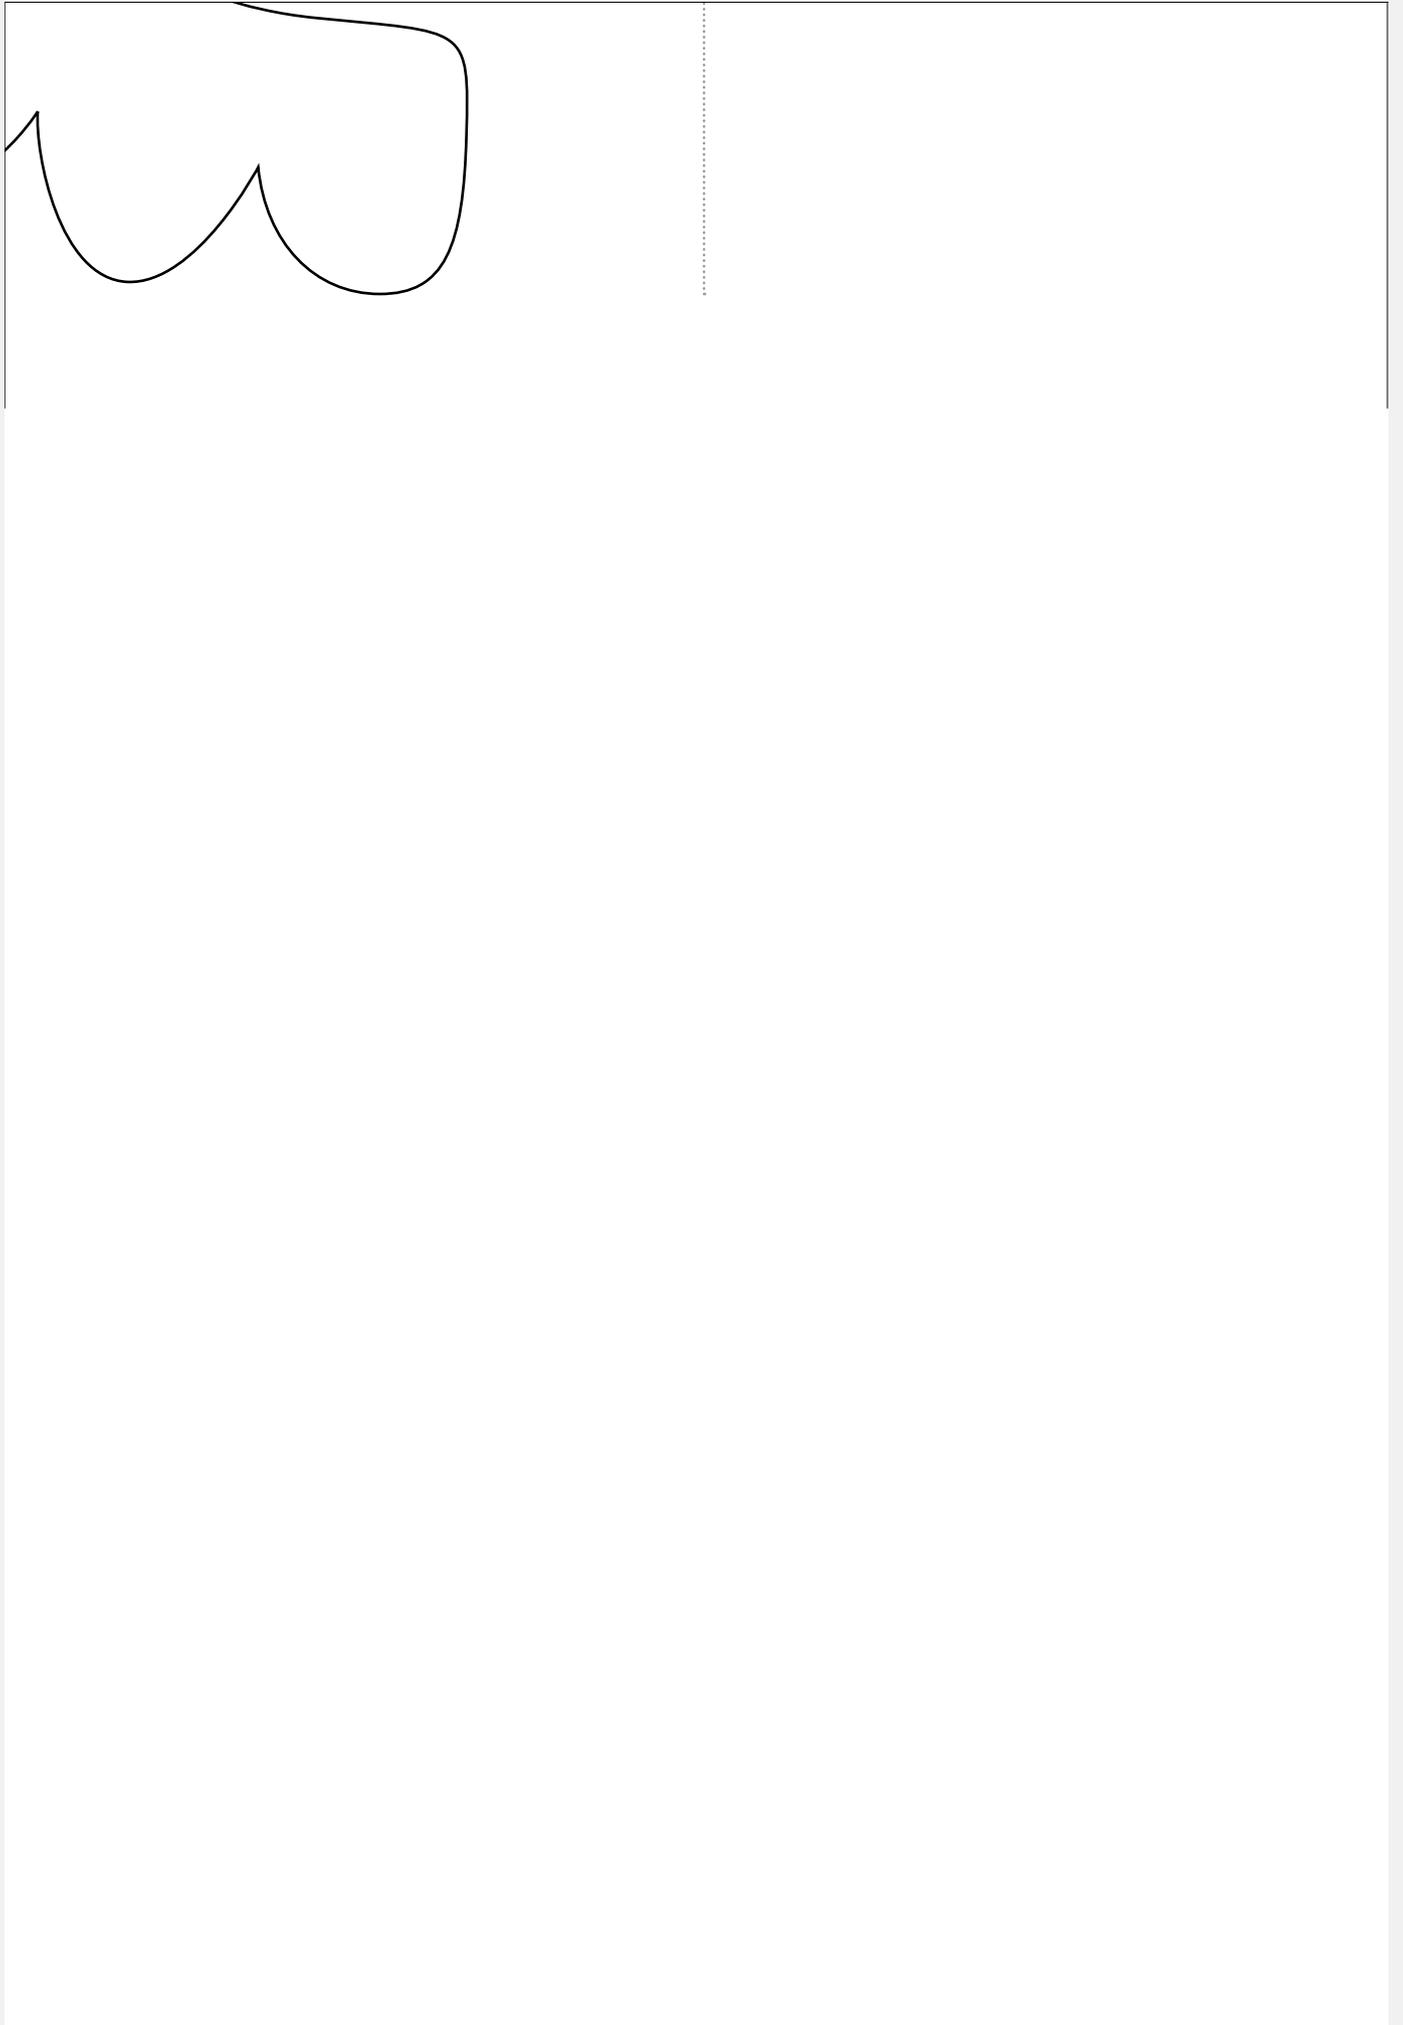

Seat width

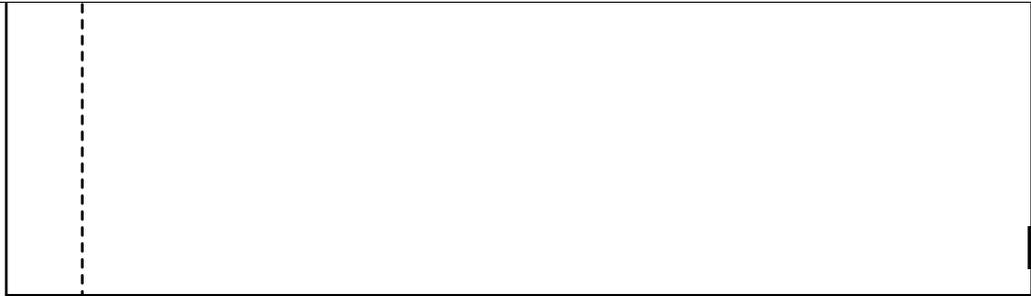

12 cm

A diagram illustrating a measurement for a chair cover pattern. It features a horizontal dashed line representing the seat width. Below this line, a vertical arrow points upwards to the dashed line, with the text '12 cm' written vertically next to it. The text 'Seat width' is positioned above the dashed line.
