Tip

Why not block your finished scarf to make the most of your pretty chevron lace stitches?

We love the versatility of this airy chevron lace scarf by Rosee Woodland. Long, light and delicate, it's perfect for adding a subtle layer of warmth to any outfit – you could even wear it as a dainty shawl with an elegant dress.

Designer Rosee says, "I chose this ultra-soft Bessie May yarn for its gorgeous blend of kid mohair and silk, so that it won't itch when worn against bare skin and will feel luxurious whatever you decide to team it with."

We think the Berry shade is glorious too – it's really flattering against most skin tones. Using just 100g of Bessie May's Grace yarn, this luxury yarn will be a good investment too.

STEP-BY-STEP SSK SLIP, SLIP, KNIT

1 With the yarn at the back of your knitting, slip the first stitch on the left-hand needle knitwise.

2 Now slip the next stitch on the left-hand needle knitwise.

3 Push the left-hand needle through the front of both the slipped stitches.

4 Bring the yarn round just as you would for a knit stitch and knit the two stitches together. You will now have a single stitch on the right-hand needle, and your two slipped ones will create a left-leaning decrease.
