

French Bulldog TEMPLATES

INSTRUCTIONS

1. Use the templates to cut out the felt shapes above.
2. Refer to the design guide to layer and stitch your felt front. Note the different stitches used. Stitch all of the features and fix the brads to position the eyes.
3. Sew the matching leg pieces together and stuff at the top. Secure the opening with a running stitch.
4. Stitch the felt front to the back body, inserting the ears and legs as shown on the design guide. Leave a gap for stuffing. Secure the legs and ears in place by sewing a running stitch.
5. Finally, wrap the necktie around your pooch, crossing the two ends over each other. At the point of crossing position and sew in place the Holly leaves and the berries.

Use your French Bulldog as a Christmas Tree decoration, to adorn a Christmas wreath or add to the wrapping of a Christmas present.
