# TEMPLATES

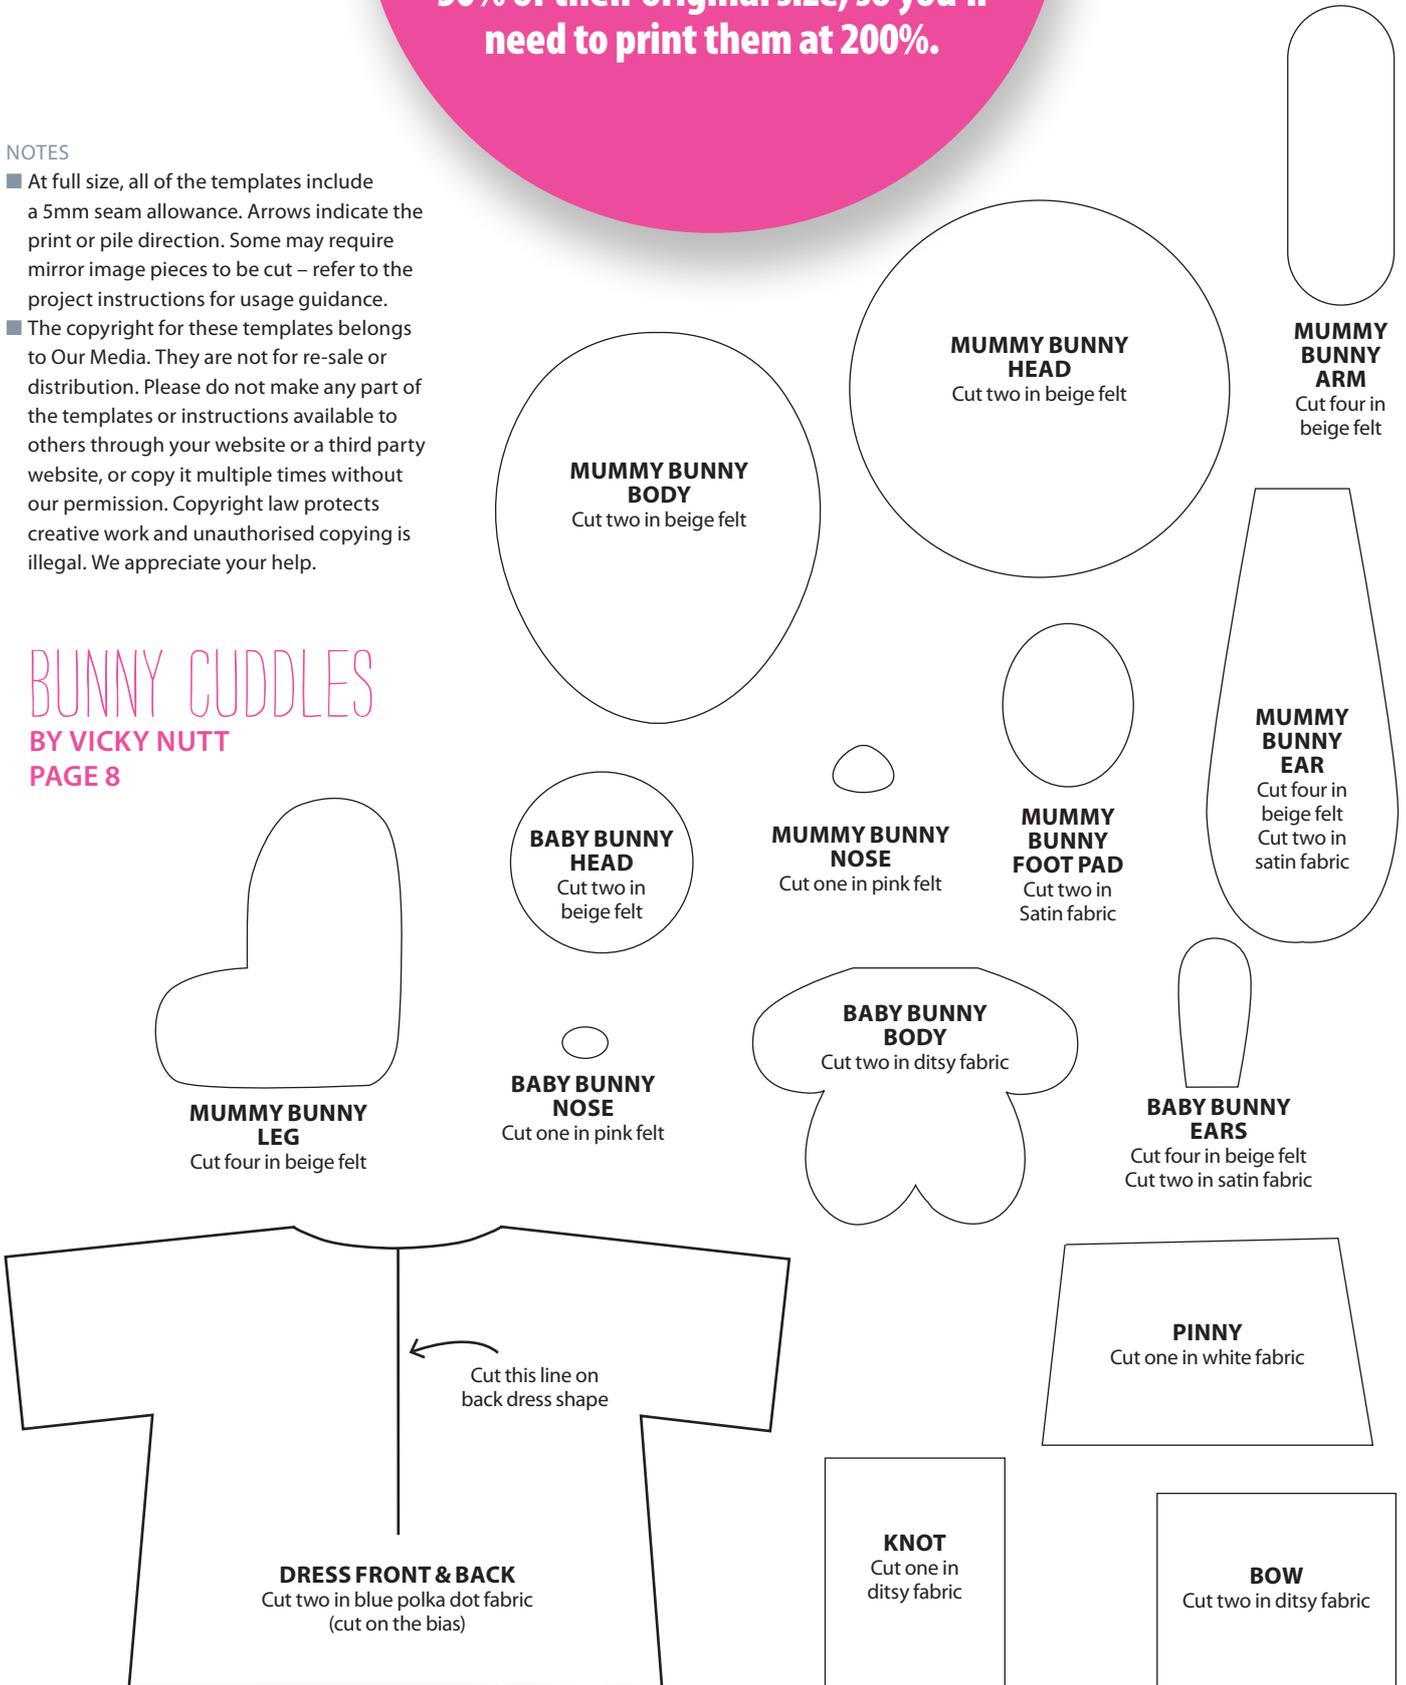

All of these templates are shown at 50% of their original size, so you'll need to print them at 200%.

## NOTES

- At full size, all of the templates include a 5mm seam allowance. Arrows indicate the print or pile direction. Some may require mirror image pieces to be cut – refer to the project instructions for usage guidance.
- The copyright for these templates belongs to Our Media. They are not for re-sale or distribution. Please do not make any part of the templates or instructions available to others through your website or a third party website, or copy it multiple times without our permission. Copyright law protects creative work and unauthorised copying is illegal. We appreciate your help.
